

District 33K Blue Badge Program

Information for sponsors of new members 2016 - 2017

The District 33K BLUE BADGE PROGRAM has been designed to welcome NEW LIONS and give an overview of the many aspects of Lionism on a Club, Zone and District level. Your role as the Sponsor of a new member is critical in this orientation process. Upon the completion of the "BLUE BADGE" requirements by your new member, he or she will receive a "Blue Badge" Pin. Please actively assist your new member with this program. Become involved and participate along with your new member. The next twelve (12) months are vital in forming a quality member. Share information and your knowledge of experience by answering questions that may arise. Learn more about our LIONS FAMILY together! Most of all, HAVE FUN!!!!

In order to complete your Sponsor's responsibilities, YOU MUST complete the following requirements:

1. Become familiar with the "BLUE BADGE PROGRAM" requirements.
2. Develop a "Game Plan" with your new member as to how you will complete this program.
3. Attend meetings with your new member whenever possible.
4. Date and initial your new member's "BLUE BADGE" CARD upon completion of each of their requirements. When all requirements are met, return the card to your Membership Chairperson.
5. Remember that a Sponsor's obligation is a continuing one – Take pride in your member!!!
6. To receive the Blue Badge pin, this form must be completed during the Lion fiscal year of July 1 to June 30 and submitted to Mail to: Lion Jose Mesmar 5261 Timberview Way Marlborough MA, 01752 or email to jmesmar@yahoo.com.

We will award pins to those who meet the requirements at all district's advisory meetings (September 26th, November 28th, March 20th, & June 5th), midwinter conference (Feb 17-19), state convention (May 2-7), or during one of your club's functions, if preferred.
